## Alide Hire Services Portable Toilet Hire

Alide Hire Services offers a comprehensive toilet hire service with a range of products suitable for all your event and site requirements. This is backed with a delivery, collection and cleaning service that leaves the competition standing.

Our range of portable toilet units come fully equipped, including soap, toilet tissue and a forearm sink complying with health and safety requirements. They are ready to use the moment we deliver to you.

Urinal blocks are available for hire. We also offer quality cabin units suitable for weddings, parties and corporate entertainment. We have a range of disabled units with extra generous door opening and shallow incline ramp for easy access.

So why not give us a call on 0845 205 2005 for a no obligation quote or to discuss what other services we can offer. If you would prefer, fill in and tear off the reply form attached and send it back to us for a written quote to be sent directly to you.

Remember, at Alide we are committed to giving the very best equipment and customer service possible. So come on pick up the phone. We are waiting to take your call today!

## Other Services Available

Alide offer a complete range of plant and tool hire equipment. We are also stockist of a large range of event hire equipment including generators, lighting, sound and PA systems and a temporary fencing department with on site erection and dismantling services available.
